“ *Dad was the BEST!!! He promised to take care of mom until the end. His life was cut short, but his life lessons will go on in my heart. He taught me a lot about what is right in God's eyes and how to forgive. He taught me to help all who need it and not give up. He taught me love and compassion for our fellows, and last, but not least, he taught me to look for the good in everyone. I will miss my dad always and love my dad forever. Dad was the BEST!!!*
