“ It has been over 60 years but I remember your mom/loved one with great fondness. A skinny, scared 1st grader moved to Godfrey at Christmas break and had to go to school alone. Ilah became my friend and was a blessing to me. Sadly, we moved during 3rd grade, and I always thought of her. We, my husband and I, have lived all over the country and 5 years ago moved back here where I have extended family. When I saw this I was very sad but happy to hear she was loved and had a great life. I did recognize her pretty smile. I am currently in CA visiting my children and when I get home I am going to look for the Brownies picture I think she was in with me. Some people bless others way longer than they ever know. Hugs to you all in your sorrow. Elaine Roberts Weaver
