“ Dear Isaac; Sir, and family, I am sorry to hear that your mother (relative) has passed away. I know how that must feel because my mother was killed in 2009. I didn't know her myself but my condolences go out to the family in their time of grief.

“ Pokie was so sweet to me when I worked at West with her. She gave me a baby shower at her house when I was pregnant with my last son. I loved her cantor and style. I saw her a couple of years ago in the store and she still stylish as ever. Prayers to the family and my classmate Ike. Love Felicia Jones Alexander
