“ *I have such fond memories of Jack from when we worked together in real estate and mortgages. We shared some great times together as, and with, friends. My heart goes out to Carol and to all of Jack's family and loved ones. He will be missed.*

“ To Julie and Family,

I was so saddened to hear about Jack. You may not even remember your old neighbor across the street; but, I remember how much fun I had getting know you both. Even though I've been on the Carolina coast for over 45 years, D'Adrian sometimes doesn't seem that long ago.

I was in college, you were probably in 6th or 7th grade. Jack would venture across the street, we'd shoot some baskets in the driveway, and then we would sit on the grass and talk about who knows what. You frequently joined us.

Again, I am so sorry. My condolences and prayers are with you and your family.

Take care,

“ Dear Carol, I hope you read this because I no longer have any contact info for you. This is Nancy King and you have my deepest sympathy in your loss of Jack. Hal & I both thought a lot of Jack. As you probably know Hal passed in Dec. of 2019. We did not get to see a lot of you & Jack these past years, but you were always in our thoughts. Loved all the parties out at the house that you so graciously hosted. I am now full time in Florida. Wish you the best,
Nancy
