“ *So sorry to hear of Jack's passing. Jack was one of those people for which the highest compliment is reserved - He was just one of those great, down-home guys who would do any thing for any one. You couldn't find a nicer guy in all the world. He always had a smile and kind word for all. He will be dearly missed by all his family and most of all by his many friends whose lives he touched.*

“ So sorry to hear of Jack's passing. He did his job well, and will be missed. We especially will miss seeing him at the big round table at Fran and Marilyn's! He always had something nice to say, as he passed by on the road while he was working. Jack was a good man.
