“ I worked with Jackie at the start of my banking career at Regions Bank. Her kindness, endlessly giving heart sharp mind & clever sense of humor will forever be a warm memory of mine. I truly feel like I grew up during those years, even welcomed my first baby with her and a loving group of women at my side who I truly considered a family. I was blessed to know Jackie & will miss her terribly. I am comforted knowing she is now eternally with Bill. Thank you Jackie for being my friend. Rest In Peace.

Love,
Jackie Hernandez
