“ *Mom, I am missing you so much. My heart is breaking because I didn't get back to see you in time. I am thankful for all the good times we had - I was lucky to be the "baby" and have lots of alone time with you and Dad. I will always remember all of the baking we did together, and the summers spent watching the soaps, going to lunch, and swimming. Dan, Aaron, Connor and Dylan love and miss you too. Thanks for being the best Mommy and Grandma ever. Love you lots, Cath xoxo*

“ Words can never express how important you are to me. You and Grandpa welcomed me into the family with open arms, and have done so much for me, Erica, and Gabriel. You showed me how important it is to be honest and stand up for what I believe in. You showed me nothing but love. I thank God for the time Gabriel had with you. There will be only one GG. I look forward to the day when I get to see you again.

“ Gram, I will miss walking up your drive way and seeing your face peeking out of the front window, you telling me "not to sweat the small stuff", your beautiful smile and most of all I will miss all of the fun we had goofing around. My heart is at peace because I know you are in a better place. Thank you for teaching me and loving me. You will be in my heart always and forever. xoxo
