“ *I worked with Jim for IBM in downtown St. Louis during the 70's. We worked on the same models of equipment back then. My sympathies on Jim's passing.*

“ *So sorry to hear of Jim's passing. Jim and I were hired by IBM at the same time. He and I did our final training, in Chicago, together. We played golf together many times.*
I pray God will provide strength and comfort to the family, in your grief.
