“ Jim was my friend....

*We spoke much of life.
Of good times and strife.
While riding the waves.
On all sorts of days.
From dawn until dusk we'd fish for those crappie.
Whether sunny and hot or freezing and sloppy.
Whether stringers were full or just left a danglin'.
Fishing with Jim was much more than anglin'.
Yes, Jim was my friend, you see.
And that meant the world to me.*

“ *Very sad to hear of Jim's passing. I worked with Jim at Hanson for probably 10 years or so and he was always a great guy to work with and talk to. Those of us who knew him at Hanson often asked about him and wondered how he was doing and where he was at.*

Thoughts and prayers to his family and friends.
