“ *Allen and Dianna are neighbors . There have been a few occasions when one of my herd escaped, Allen would always catch them , call me , and say - "hey one of your horses got out , dont worry , hes in my round pen and i gave him food and water, along with plenty of hay to munch on until you get home from work, then you can come get him." And sure enough , there my horse would be ,knee deep in hay , full bucket of water, and he would always say - thats a beautiful horse . And I would always say , Thank You so much !!!! I know he was a kind hearted man even though , he sure did have the tough act down . And , I also know he was very patriotic , talked about his nephew to everyone that he met .(his nephew was killed in the line of duty) When he was a friend he was a good friend .And Al if you see Pocket and Caddilac go for a ride for me ! Rest in peace .Ill always be there to help Diana if she needs it.*
