“ I will miss grandpa Jim's funny stories, his way of looking at things, and the things he did for us. I will especially miss the things he made. My favorite is the skeleton he stitched for Halloween. I will also miss making him cookies.

“ Jim was friendly, fun-loving, and generous. He was friendly because he never met a stranger, fun-loving because he had a joke for every situation, and generous because he adopted my four children. He will be greatly missed.
