“ I am truly saddened to hear about the passing of Jamie. She worked in my classroom with me at Clay School. She and I bonded and we shared a very special relationship. She was a beautiful person both inside and out! I had the privilege of attending her wedding and also meeting her beautiful daughter Ella. She and I shared so many happy times both at school and outside of school as well. Whoever had the opportunity to know her also loved her. She will always hold a special place in my heart. My thoughts and prayers go out to her family whom she loved so much. May your hearts be filled with all the pleasant memories of Jamie just as many of her friends will. Love and prayers, Sue Mercon

“*Jamie was my longest relationship, outside of my parents. We met in junior high and had an instant connection. Every time I had a problem, her response was, “what are we going to do about that?” It was always “we.” Ella was her world and loved her more than words can describe. I’m heartbroken and miss her light. I look forward to reuniting one day. She’ll be wearing a muumuu, drinking a matcha latte, listening to Stevie Nicks with the Gilmore Girls playing on loop on the tv. She’ll will be as beautiful as ever having unlimited resources to the latest seen on tv skin care. She was my defender, protector, and common sense perspective. Life will never be the same.*”

“ My heart is broken for Jamie's family especially her dear daughter Ella. I worked with Jamie at Aspire Academy from 2008 to 2012. She was a creative, caring and hardworking teacher and the students loved her. She was such fun to work with and professional development days were enjoyable due to her sense of humor. I have good memories of working with her, you can be so proud of her dedication to learning and how she impacted the lives of young ones who had a great start to school due to her dedication. Praying you have strength and peace and comfort at this very difficult time.

“ I was deeply saddened to hear about Jamie's passing. I had the privilege of working alongside her at OTB last year, and I will always remember her kindness and dedication. She spoke about her dear Ella so often and with such love—it was clear how much she adored you, kiddo.

*My heart is with Ella and the entire family during this incredibly difficult time. Wishing you all comfort and strength.*
