“ *Jane was a wonderful lady! She taught me how to swim and was always so encouraging. I thought so highly of her, my last child shares her name. Whenever we would bump into each other, she always asked about her namesake. She will be greatly missed especially for her great smile and warm heart. Many prayers for her family.*

Jane was a dear, dear friend to me as well as my family. She was devoted to her family and friends. Jane prayed with me and for me often. I am grateful for her friendship, laughter and good will towards all whom she met. I've been blessed to have known her and her family.
