“ Jennifer, We are so sorry to hear about your mom and your dad. I know they were in loving hands--the best hands. It is a sad time and a life changer, but remember they will always be with you. Take care of yourself and yours and hold onto the memories.

“ Had not seen Janet in many years but she and her husband Jim and Jim's brother Gary were all so good to me growing up. Our parents were friends and we were together quite a bit. I wish I had known she was ill. Good memories for sure. Prayers to the family.

“ *So sorry to hear of Janet's passing. I remember a lot of good times when Jon and my nephew Matt were moto cross bicycle racing and Jim would take the boys and we would all meet at the race. She was always so nice to talk to. Keeping your family in my prayers.*
