“ Please accept my sincere condolences on the loss of your dear loved one. It brings comfort to many to know that The Almighty God promises us in The Bible that soon death will be no more and the dead will be restored to life on a paradise Earth. May you have peace.

“ This Lady was a very strong and loving daughter, sister, mother, cousin and friend. She always had a way to make people feel happy. She was always taking care of others and was a very hard worker. She loved her boys with all her heart. She was the best mom I know and she taught me lots of things on how to be a mom. I wish we was all as close as we use to before we all lost our moms. May God be with the boys and family and give them strength as that is what Janet would want . Rest in Peace my dear cousin. You will be missed. Love Shona & Family
