“ Susie always had a warm smile and was one of the nicest people we have ever met. I always enjoyed seeing and talking to Susie at city hall. Susie's family is in our thoughts, hearts and prayers. Susie will be sadly missed. Al and Diane Adams

“ Susie was a good friend who would spend the night occasionally when we were in Jr. High. One of those occasions, our hamster master-minded a break-out and Susie reminded me of that time. A great memory that I had almost lost until she reminded me. Susie, rest in peace and watch over us. Many prayers for you and your family.

“ *I'm deeply saddened to learn of Sue's death. She was a very dear friend with whom I was out of touch for the past several years and regret we couldn't get together again. She was alot of fun and I have so many fond memories of our times when she worked at the rectory. You will be sorely missed, Sue, but rest peacefully, my good friend. My sincere condolences to her family and especially her children.*
