

## Jean Carol Roach

January 16, 1948 - May 4, 2026

Jean Carol (Davidson) Roach, 78, passed away suddenly of natural causes Sunday, May 3, 2026.

Jean was born on January 16, 1948, to the late Earl C. and Nell F. (Sykes) Davidson at Barnes-Jewish Hospital in St. Louis, Missouri. Jean grew up in Rosewood Heights, Illinois. She was a member of the National Honor Society and graduated from Roxana High School in 1966. Many of her classmates (including the “66 Girls”) became lifelong friends.

Jean attended Southern Illinois University at Edwardsville (SIUE), graduating with a Bachelor of Science from the Education Division in 1970. She was hired by the Alton School District as a primary school teacher and spent the next 36 years doing something she loved. Jean’s warmth and fantastic sense of humor made her a perfect fit for teaching “little people.” She was often approached by her former students to reminisce about their time spent together in first grade and were so touched by the fact that she too remembered them—recalling small personal details about their time spent together decades before. In 1994, Jean went back to SIUE and graduated with a Master of Science in Education, and further achieved a Master’s Plus 30.

Though Jean loved her role as a teacher, her life truly revolved around her 2 children—Derek, born in 1974, and Kristin, born in 1977. She gave her children everything she had—love, time, guidance, patience and fortitude...as well as the BEST Halloween costumes EVER.

Jean retired in 2006. Visiting and spending time with her 3 grandchildren brought her much happiness. While trips to Spain, Alaska, and throughout the country brought her new joys, she also deeply appreciated spending time with her many friends, whom she considered family.

Jean's humor, intelligence and warmth will be missed by colleagues, friends, and family.

Jean is survived by her son, Derek A. Roach (Sara); her daughter, Kristin E. Moran (Rich); her grandchildren Jules, Sabrina, and Alexander Roach; 2 sisters-in-law (Judy and Carol); 5 nephews and grandnephews. She was preceded in death by her parents and brother, Craig V. Davidson.

No services are scheduled.

Please send your thoughts and prayers to all those Jean left behind, and please celebrate her memory with lots of laughter, love, and, of course, hors d'oeuvres. Gent Funeral Home is in charge of arrangements. Additional information and online guestbook may be found at [www.gentfuneralhome.com](http://www.gentfuneralhome.com)

“ To Derrick and Kristin, Your mom was a rock. I give her great kudos for doing such a great job of seeing her kids were taken care of, educated and secure. Jean never waivered to see to their needs. I had the pleasure of doing our Masters together and taking the girls to dance, competitions, and working on costumes. I will miss her laugh, and our many discussions about being single parents. Jean will be missed on many levels. Please know your mom was a great asset to teaching, and a great teacher. She will be missed . God Bless your family..

I loved in Rosewood Heights at 418 planeview drive, one hose down from Jeannie( as I knew her as a kid) i have to say, she was my "first girlfriend", I'm the same age as her and Don Hofgren. We all played together as children in the Rosewood Heights neighborhood. Then I had 2 sisters, Marilee and Barbara. Barbara is deceased. Sorry to read of Jean's passing.

“ I really don’t know what to say. Some of my favorite high school memories include Jean. We traveled hundreds of miles in my ’52 DeSoto, named Charlie, and most of those miles were between Blocks and Spotlight. Jean was smart and funny, and she was a good friend. I hope she knew how much she was loved and how much she will be missed. As long as I have my memories, Jean will always be with me. My heartfelt condolences to Derek and Kristin

Derek and Sara, all of us here at BCBSA were so sad to hear of your mother's passing. After reading her beautiful obituary, it is easy to see what an amazing woman she was - and also explains many of the same qualities that we all admire and enjoy in Derek, and how deeply your mother loved all three of your children. May God bless you, your mother, and your children.

My son had Mrs. Roach as his teacher. She was one of his favorites and mine too. She was the best.

*Jean was one of my dearest friends. We shared so much together. She was a big part of my life. I'm so sorry for the pain her children and grandchildren are going through now. It will take time but one day we all will be able to look back and remember how she enriched our lives with her gracious generosity, warmth, and common sense. (She talked me down off of the wall more than once.) When I learned the sad news, I thanked God for sharing her with me. Beloved by all who knew her. God bless her family. Please know that our Jean will always be remembered and loved.*
