“ Dear family members,

I had the pleasure of meeting Jeana when she was on the board of Riverbend Head start and Family Services. She and I spent many meetings sitting together at the board meetings. She was a fond friend of mine for many years. She and Tom and later just Jeana hosted many events in her home in Fairmont. It was always such a treat to be there, looking out over the Mississippi and talking with her.

I am sorry that she has passed on. She was certainly an angel. I never heard a critical word from her but she could make her thoughts known in a gentle way that we all should emulate. Her generosity of her time and treasure set an example for us all.

Jeana would pass by my house frequently in her car. Every time I saw her I would have fond memories of our friendship. Some of the adjectives that best describe Jeana are kindness, love expressed for her family and friends, patience , forgiving and soft spoken .

Anyone who knew Jeana will miss her. She will always be remembered for her example of servant leadership in her church and in our community. Thank you for sharing her with us for these special years.

“ *My deepest sympathy to the family. I met her several years ago and she was the kindest, most generous person. I will always remember delivering baklava to her and she would invite me in for her homemade caramels and tea. We would sit and share stories of our children and grandchildren. She sure loved her family and was very proud of them. It was always my pleasure to spend time with her.*

“ Jeana was a true heart and wonderful Aunt! She came to see me in
"Annie" when I played St. Louis. We hadn't seen each other in
years. She welcomed me with open arms and made me feel part of
the family. The way she lived her life was an inspiration. I miss her
deeply. xoxoxo

“ So many loving memories, not just a cousin a best friend over the years. Fun times on trips, catching up on the phone, email, Facebook and the occasional pocket dial via Skype. True to everyone, a smile & laugh that will never be forgotten. The picture is a year ago in Fresno at the Greek Festival where we learned how to do a traditional dance. Until we meet again...Marguerite & Bob

“ *To Jeana's Wonderful Children and Family,
What an awesome person! I have a million snapshot memories of Jeana as she did not stay in one place for very long. My mom always said "Jeana hit the ground running" the minute she got out of bed in the morning. One of my favorite thoughts of Jeana is not even my own personal memory...she was on her balcony and had to let my kids back into the condo when they forgot the fob to get back in (um.. there's more on this end but will share later ;) . I'm very sad for all of you and hope you find peace. Please know prayers for all. Let me know if you need anything!*

Love,
