“ My heart breaks for the many loved ones who are in such pain over the loss of this beautiful, precious young woman. I never had the pleasure of meeting Jessica, but am blessed to know her aunt Laura. Laura spoke regularly about Jessica, and loved her like a daughter. I had the privilege of meeting Jessica's beautiful daughter Calli several years ago. Laura also speaks of Jessica's children with so much love. Our prayers are with all of you, as sweet Jessica has gone to be with the Lord.

“ Jessica I love you sis, rest peacefully! I'll miss riding with you, I used to tell you that you should have been a Nascar driver 🤔😊 WE hated when people would call us "step" sister's, and we didn't always agree, but we always got over it. I love you, get your beauty rest. ❤️
