“ *Not bound by blood, but still my Aunt Jill. We had so many wonderful, fun, crazy, unforgettable times together. She taught me so much! I will remember her always and cherish the memories. My heart hurts for the family. Love and prayers.*

“ *Love u so much Jill! It seems so unreal until it's 3am and time for one of our crazy talks and bingo games! I find myself trying to msg u and when I share something on fb and go to click your name; I stop n just cry cause I know these things will never happen again and I will never see ur lil fb chat head pop up and see those familiar words "Hey cuz! What u up to"? I'm glad ur no longer in pain and ur sitting in heaven watching over all of us! R. I. P. Cousin*
