“ I met Joanne when I began working at Lewis and Clark in the fall of 1997. I always enjoyed working with her. She was very concerned about her students and I know she was very proud of her own children. I am sorry to hear of her passing and I am also sorry I will not be able to attend her Memorial Mass. My sympathy to all of you.

“ I met Joanne during her last year of teaching. She was so much fun. She had a special way with children-her students adored her, and so did I. Sending my deepest sympathies to Chris and the rest of her family-she was so proud of all of you. ~~Lisa Dublo

“ Larry and are so sorry for Joanne’s passing. She did a lot of kind things and helped people all the time. I’ll never forget Joanne helping Larry and I when I had my water skiing accident. My accident was in 1983 and Joanne and Richard had friends gather up some money for Larry driving back and forth to St. Luke’s hospital and bought us a Microwave (which we still use). Sorry we will be out of town for the Mass on the 27th. You know our thoughts and Prayers will be with your family. “Friends Till The End” Love and Peace

“ Mrs. Kuebrich was a great teacher and friend. Although she was not my main teacher, she was a part of my educational experience as she and Mrs. Sandy Beckman worked together quite a bit when I was in Kindergarten. Later, she also became a friend through Mrs. Beckman and Lanita Sims. All my love and prayers to the family at this difficult time!
