“ *Brenda, Beth, & Ryan, sending you my condolences. I have so many wonderful memories of John. I could type here forever sharing them. The most important memory is how John Loved everyone. Whether he knew you or not, & John found out about it, he would be the first one to step-up to help.* ”

Brenda, thinking of you and sending prayers 🙏. I'm so glad we were able to get together a couple years ago and catch up. John was a godsend every time we moved from the States to Germany and back. We always stayed with Aunt Frannie and Uncle John. I remember one year, John put up balloons and filled them with candy and gum. His birthday was 2 days before mine! He celebrated with me. God knows how much he was loved. And he loved everyone. Please know he will be missed. Love you guys, Christa, Larry, Malorie Morris, Leah and Brian Kowalski
