“ *Dennis was my cousin. His dad (my mother's brother) was one of our favorite uncles. We were not as geographically close (Arkansas) and so not as bonded as the others family. Our family of aunts, uncles and cousins is getting smaller. I wanted to express my sadness over Dennis's passing, sounds as if had a life well lived here on earth and a better one now.
Love from my mothers (his aunt pearl) family.*

“ *Dennis Spencer was a true gentleman and kind man. My thoughts and prayers go up for family and friends. I believe we will meet again in that land where death and sorrow are no more.*

“ We first met Dennis at an AHRMA Trials event, the first of many meetings, both at AHRMA events and at Donelson's Cycles. We always enjoyed spending time with him. He was such a great person and storyteller. We are still laughing about his spider stories and his tale about when he discovered that he could get cash when we bought groceries with the ATM card (before Margie took his card away.) He will be sorely missed, but we know that our loss is heaven's gain. -- Sy & Claude McElvain ("To live in hearts we leave behind is not to die." - Author Unknown)

“ I met Dennis many years ago through Lisa, his daughter-in-law, one of my best friends. Then we ended up going to church together. Lisa & Jerry lived away, so I always enjoyed talking with Dennis and catching up. He enjoyed life and had so much to give. He had a servant's heart and I loved when he told me that he volunteered with Hospice. I will miss chatting with him at church. Hugs & prayers for Margie and family. May God comfort you and give you peace during this time.

“ We were so happy when we learned Dennis & Marge would be our new neighbors here in Grafton. I will miss his backyard jam sessions, comparing our mushroom finds and racing discussions. He was always lending a helping hand around town and a great asset to the community. Just a truly nice guy. Many, many condolences to the family. Carole Clayton

“ Dennis has been a member in good standing with the Gateway Norton Association for 15+ years. He will be missed by all of us. I loved it when he would produce a harmonica and start to play. He was my friend. On his final ride may angels be on his side our prayers are in his tank bag. Steve Hurst
