“ *John And Rosario, I am so sorry to hear of your loss. I lost my Dad in 2011 and I cherish the memories I have of him more than I can say. I still miss him but the memories are precious and with time these will be his greatest gift to you, I know he must have been so proud of you, for the families that you and Rosario helped bring together. I know that without the two of you, I would not have beautiful daughter, Brea'Ana .*

God Bless you and your family and may you find comfort in God's love.

“ Dear John and Steve
I didn't have the honor try any cases opposite your Dad. I was fortunate to be a Judge on one his cases. Just like Judge Maddox, I found him to a great man who was passionate about his clients cases. He was always kind to me and had a hardly laugh.

He will be missed.

May God bless you and keep you.

“ *Tracey & Monica I never knew your dad but I know that children are a reflection of the man and the two of you are top shelf. That is the best way to honor his memory. Thinking of you in your time of sorrow. God Bless!*

“ *Dear John and Steve,
I tried my first contested divorce against your father in 1975. He whipped me handily. I could blame it on the facts, but would rather say he taught me some valuable lessons. During the years that followed, your father was always pleasant and respectful and at all times well prepared and a vigorous advocate.
Please accept my condolences for your loss and extend them to your mother, siblings, grandchildren and other family.
