“ As a youngster before Uncle Jack (my godfather) had the responsibilities of a family, he would come to my birthday celebration loaded down with gifts. There were toys and always some fun clothes. The last thing I remember getting was when I was twelve. He gave me a red plaid suit and blouse. I obviously loved it because I can still see it now nearly fifty years later. I love you Uncle Jack... you will be missed.

“ The Jerry Elliott family sends their condolences. Dad and Jack worked together for many years, attended church together, and if memory serves me, bowled together. Your folks were good friends of the family- we are sorry for your loss.

“ To the Terlisner's family, so sorry to hear about Jack's passing. You do know he is in a better place and both of your parents will be watching over you and helping you from up above now. 🙏 You have our sympathy, and prayers will be with you. Sorry Larry and I will not be able to attend the wake or funeral, for we will be in Nashville for this Mother's Day weekend. Edie, I have been thinking of you because I know you helped out Jack, (your grandpa) and your mom. Thanks Eddie for being you. Prayers are coming your way 🙏

“ My first memories of John are when I first met him tending bar and being MOST cheerful to all the patrons. I considered him and "Sis" to be dear friends as well as greatly appreciated clients for so many years. Love to all of you. JoAnn Sponsler
