“ *I remember when I was growing up, John always treated me like his daughter, even if I wasn't his blood daughter. I remember he would take me and my mother to do things, but I really miss Christmas with him. He was the only person I will ever see as a father figure. I miss you, Dad.*

“ *My favorite memories of JP are with him fishing at sportsman club lake pulling in monsters and playing in the woods when we were kids. I don't think we ever stopped laughing with or at each other.
God Bless*
