

Joseph J. Daleo

March 17, 1951 - March 12, 2021

Joseph J. Daleo, 69, passed away at home on Friday, March 12, 2021. Joe was the son of the late Joseph S. and Agnes M. Daleo. He is survived by his beloved wife Mary who he was married to for 34 years; loving father to Joseph Daleo Jr. and Cassandra Stark (fiancé Andrew Hammarstedt); treasured grandfather to Olivia Daleo, Joseph Daleo III, Andrew Daleo, Gianna Hammarstedt, and Vincenzo Hammarstedt; dear brother to Rose Ann (Ed) Mangner, Kenneth (Cindy) Daleo, and Gina Judge; and dear uncle to many nieces and nephews.

Joe had boundless energy which he poured into his work, family life and friendships.

In his long career at Emerson Electric, his dedication, leadership and regard for others created an atmosphere of mutual respect and kindness. He enjoyed his many travels throughout the country, and developed numerous lasting friendships over the years.

Joe relished spending time with family and his two cherished pets, watching the children grow, and frequently surprising people with gifts. He brought spirit and warmth to every family gathering. He was a caring son who was devoted to his parents.

Joe delighted in quietly helping others, always putting their needs above his own, and there are many he helped throughout his lifetime. He had a quick wit and loved a good laugh, even when it was at his own expense. Joe's affable personality, generosity of spirit and compassion for others made him loved by all who knew him. He will truly be missed.

No funeral or memorial service is planned, per Joe's request. In lieu of flowers, memorials may be made to St. Jude Children's Research Hospital. Gent Funeral Home in Alton, Illinois, is in charge of arrangements. Online guestbook and information may be found at www.gentfuneralhome.com.

“ *I worked closely in St. Louis with Joe on PGA and other sporting events. Hurts to learn he's no longer with us. One of the most kind and loving human beings I've met. He absolutely adored his family and grandchildren and lit up when he talked about them. Wishing the family continued healing and the happiest of memories of him... — David Kinsey.*

“ *Our deepest sympathy to Mary, Joe Jr., his children, Kassie, Andrew and all the family. Joe was a client for over 25 years. At every trade show Joe was always “in control” and had a calming influence on everyone during any crisis or challenge on the job. Even in his last weeks, he talked about going to the Masters. When I retired 21 years ago, we continued as friends and how much I miss his quick quips and very unique sense of humor. Seeing pictures of Joe in Santa pajamas and crazy Halloween garb brought a lot of laughs!! Joe and Mary were a truly delightful, fun couple who added so much to our lives. His devotion to Mary, his children, and grandchildren are a model for all of us. - Lou and Wilma Prifti*

“ Every action Joe committed was with a sense of diplomacy and professionalism. Joe demonstrated hard work pays off, to be loyal and fair, to honor his family and friends. To those blessed in Heaven experiencing difficulty with meeting the Almighty see Joe, he will arrange your meeting with a couple of Club Seat ducats as well. See you down the road in the Garden Joe.

“ *My heartfelt condolences to the family of Joe.*

Joe was a superb human being, compassionate, helpful and above all, kind. I was acquainted with Joe through Barnes Jewish Hospital where for many years a spring physicians golf tournament was held. My co-worker, Dottie, and I worked with him in coordinating this special event. What a joy to work with him....all details were letter perfect. The physicians looked forward to this event and, interestingly enough long after event was discontinued, they would reminisce not only about the enjoyable event memories but also about his wonderful contribution in event preparations and execution which we were involved with for several months. His genuineness and warm personality well represented his organization and the community to the ultimate.

It was one of the greatest pleasures of knowing Joe in my work career that I will cherish and that I believe Dottie would also agree in her career.

Thank you, Joe, for sharing the special spark to the lives of many whom you became acquainted with during coordination of memorable events at BJH.

“ I realize you don't know me; I have been in the exhibit and display industry my entire professional life (spanning 47 years) and Joe was a client contact of ours for most of that time. Having seen the obit this morning I just wanted to pass along my heartfelt sentiments. Joe was at the very top of my list of favorite clients; to say he was friendly, kind, and dignified is an understatement. The greatest compliment I can pay is to affirm that he was the consummate gentleman. What a good guy!

“ Deepest condolences to Mary, Kassie, Joe, Jr., Ken and all the family. I worked with Joe for fifteen years or so, and what a taskmaster, but he made the days go by fast with his sense of humor. We remained friends and that friendship meant so much to my late husband and me. I sure am going to miss him. I'm very sad, but at the same time, feel so fortunate to have known him and shared a whole bunch of laughter along the way. Thanks for the memories, Joe. Prayers continue for all those who are grieving.
