“ Sending condolences to Alice and family. I played many rounds of golf with Alice through the years. 39 years ago, I was 7 months pregnant and cruising down the Berm Highway going too fast. Officer Mancewicz was the one who stopped me, saw my condition and says, "Ma'am, do you know you were going 66 mph in 55?" "Officer, if you say so, then it is so. I just got this wonderful report on the baby, and I'm just cruising along fat, dumb and happy." "Can you do that at a lower speed?" "Yes, sir. " "Ok, then, get outta her and behave yourself (insert smile)". What a lovely man. Rest in peace, sir.

“ Joe and Alice were classmates and old friends of mine and my first husband, Ron Bond. I have many good memories of our times together. We did not retain a close relationship over the years, but I always knew that Joe was the kind of man who would show up if our family needed him. My sympathy to Alice and his sons and grandchildren. He was a special person.
