“ Connie, Deanne, Jeff and Paige,

How shocked we were of your mothers passing. We met your parents thru the Wilsons and Yates and when we would all get together we would have such a good time. We still have a bath towel that she had embroidered for us and what hard workers your parents were with the business. We were sad when they retired but knew no one deserved it more. Please accept our deepest sympathy. She truly was a lady and although we didn't see her often, we will miss her.
