“ *Mickey and families,  
I was deeply saddened to hear about Aunt Judy. I know she she was well loved by all of you, and she always so good at making others feel loved. I am praying for all of you, for the hollowed parts of your hearts that must be hurting and still having to press on. Please remember that the Lord is close to the broken-hearted and saves those who are crushed in their spirit. Asking God to bring you comfort and peace in the days to come. “ *Our hearts are so broken. Aunt Judy was one of the most genuine, kind, loved-filled women I've had the good fortune to come to know. It is so obvious what a wonderful blessing she was to all who knew her, and especially to her family. She was just so special. My heart hurts with you all, and also rejoices with gratitude for the time we did have to spend with her. We'll miss her so much.*
