“ *My deepest sympathies in the loss of a loved one. May the fond memories shared bring comfort during this time of grief and pain. (John 5:28,29)*

“ *To all of Judy's Family. I gratulated with Judy and Jerry, I don't know if Jerry remembers me or not, but when I saw this in the paper I wanted to send my condolences to Jerry and the family. I thought a lot of Judy in High School and have often thought of her and Jerry through the years. I have always wondered where they went after we gratulated. I read in the obit. that Judy worked at Owens Glass Factory in the selecting dept. I worked there too in the carton assembly dept. just above selecting. I never knew Judy worked there but I guess we were on different shifts. I was on C shift. So, I would like to give my sympathy to all of you. I know she will be missed by many. She is in a better place now and God will take good care of her and someday we will all get to see her again.*
