“ *I have only known Judy since December of 2013, when she started advertising the antique store in The Buzz Magazine, but we grew to be pretty good friends in that short time. I always made it a point to stop and see her at least a couple times a month and it was always such an enjoyable visit for me. She made sure I always took a Diet Coke with me when I left. I am so sorry to learn of her passing and I know that she will be greatly missed by so many, including myself. My life was enriched by having the pleasure of knowing this incredible woman, if even for just a short time.*
