“ To the children and grandchildren of Julie Geddes Crivello:
I send my deepest sympathies to everyone in the family on the passing of your dear Mother and Grandmother, Julie. I am your Cousin through the Norton side of the family. My grandmother Lenna Marie Norton (Lennarie) was the Sister of Alice Norton Geddes. I would love for any of you to reach out to me to learn more about the genealogy of our family and the long history of the Norton and Short side of the family.

How sad I was to see this when I tried to reach out to her today while doing genealogy. Julie and I communicated many times in the 1990's as I did research to enter the National Society Daughters of the American Revolution. Not sure if she ever found a link to the Revolution on the Short side of the family -- but we were close. It is such a shame that we lost touch through the years... I so regret not continuing to call during Christmastime. We all get "too busy" which is not a good thing. Family is everything.

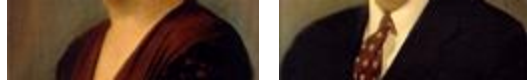

In any case, my sincere sympathy to all of you -- family and her good friends in Alton and surrounding areas. Should you wish to contact me, my email is daisy8tx@yahoo.com and my cell phone is 972-333-6722. I have a wonderful photo of Ethel "Daisy" Short who married David Waterson Norton in Topeka, KS. I will have to find it. I believe Ethel is holding both Lennarie and Alice on her lap. I'm sure you would love to see it. If I find it on my computer, I will attach it here.

Below, you will find a portrait of David Waterson Norton and his wife, Ethel Daisy Short Norton

I am also on Facebook as Patty Martin if you wish to reach out.

*Love from Richardson,
Patty (Patricia Hasbrouck Martin)*

“ My deepest sympathy in the loss of your Mother. I worked with her at the board office when she worked for Mrs. Judkins. I looked forward to seeing her at the retirement & awards banquets. I also remember how much she loved her iced coffee.
