“ This is June's daughter, Kathryn. I want to say THANK YOU for your prayers, love and comfort during this time. To those who have honored the memory of my mother with floral tributes, I wish to express my thanks. To all those who have sent cards, given hugs, or just took the time to stop by and offer comforting words, I have been blessed by the presence of you in my life. I extend loving gratitude and thanks to my Senior Pastor, Andre' and my church family at Calvary Baptist Church in Alton. I could never walk this journey without God, Jesus and you. Many thanks also to my big family who are sharing in this grief with me. I also want to thank my dear friends, especially Diana, who was with me when mom died. I can feel all this love and support and it is powerfully comforting. God Bless You and I Love You! I'm grateful for you and I'm grateful for my mom. I give thanks to God for her life! She was a wonderful mom and I will love her forever! Like all of us, mom tried to do the best she could with the limitations she had. I will miss her tremendously, but I take comfort in knowing she's with her Lord and Savior Jesus Christ. Mom faced her health struggles valiantly and she always credited Jesus as the reason she was able to keep going and lovingly embrace life. Thanks go out to her friends who have shared special remembrances of her with me. I'm so glad she had you in her life. Mom loved all her friends. You always held a special place in her heart. Despite how wonderful you are, Mom knew her greatest friend is Jesus. She knew He loved her and she loved Him. Mom had the assurance of where she would spend eternity and that allowed her to face dying with God's dignity, grace, courage and strength. I know mom would want the same for you. She wants you to have what she has now. If you do not know Jesus as Lord and Savior of your life, mom would love for you to find Him now. Please contact a Baptist church nearest you to find out more about Salvation. Salvation is a free gift to all who wish to receive it. Mom accepted her gift at the age of 12 and has now seen her Savior face-to-face. She is forever healed!
