“ *I pray for strength and providence as Kane's family and legions of friends lament, grieve, and celebrate his short life on earth. Lord, give us the assurance that, while Kane has left our sight, he has not left your care. Draw near to us in our despair, bring blessing out of suffering, and enable us in our tears and pain to know you are with us and to experience your love and healing, through Jesus Christ our Lord. Amen. "Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven." Matthew 19:14 ESV*

*I am a volunteer at St. Louis Children's hospital and got to know Kane pretty well over the past five or so years. He was always a joy to see as his big smile touched a lot of peoples' hearts. He loved watching his movies and listening to the songs with the monitor held right to his ear. We played catch with many of his toys...he had quite an arm when it came to throwing. I will miss Kane, but he will always be with me as I walk the halls of the hospital. I am a better person because of Kane.
