

Kathleen "Snookie" Davidson

January 23, 1954 - April 25, 2023

Kathleen Ann "Snookie" Davidson (Fleming) 69, passed away Tuesday, April 25, 2023 at St. Anthony's Hospital in Alton following a short illness. Born January 23, 1954 in Alton, she was the daughter of Vincent J. and Roberta L. (Williams) Fleming. She was a graduate of Marquette Catholic High School and went on to a career as a hair stylist in the Alton area from which she retired after 40 years.

In her spare time, one might find Snookie tending to her gardens and plants, feeding the birds, taking care of stray kitties, watching the Cardinals, enjoying photography, or custom-decorating a card to send to friends or family. She was known to call up her friends and play happy birthday on the piano to celebrate their special day. She was always giving to others.

With her generous, funny, and caring nature, Snookie had many long-time, good friends. Her best friend was her husband, Michael "Harley" Davidson, who she married in 2003. All will greatly miss her and be able to share stories of their times together.

In addition to her husband, she is survived by many cousins, her brother, Dennis Fleming (Tracey) of Edwardsville, niece and nephews, Tricia, John and Joseph, and great nieces and nephew, Natallie, Nathan, Lilly, and Miracle. She was preceded in death by her parents, brother Timothy Fleming and many special pets, including Truman, her beloved Labrador Retriever. Snookie was a faithful member of SS Peter & Paul Catholic Church in Alton. A memorial visitation will be from 10:00 a.m. until time of the prayer service at

“ Where do I begin? What a wonderful, loyal friend she was. She also had a heart of gold. We've been great friends for close to 50 years, After my divorce with Ruth A, her family took me 'in' as another child. Christmas at Robertas', and Thanksgiving with Snookie and Harley, at their home. She was my 'date' for my 20th class reunion, in 1992. Our first stop, was Alton Memorial Hospital, to visit my mother Evelyn, who was dying from lung cancer. Really brightened mom up! I still have the photo on my dresser, which was taken at the party. Her love of dogs, birds, and all of Gods' other creatures! We will miss you Snookie, but you will forever be in our hearts and memories. God Bless you Harley, and may God heal your broken heart. LSB was her 'sign off to me'! Love (ya) See (ya) Bye! LSB Snookie! We see each other once again, in a better world....

“ Such a good friend through thick and thin. "Friends to the end..." and "Peace and Love" were always her sign-offs. I was lucky enough to receive the annual "BD" cards. Distance is measured only in miles but friendship is measured in love and kindness and thoughtfulness.... She is boundless. Oh I'm so sad and I'm so sorry for your loss, Harley. Snookie, you dear, wonderful human being... You will be missed. Peace and Love, my friend.

“ Kathy went to school all 12 years with my sister Jane and me. We loved everything about Snookie, she and Jane had a really close friendship. We'd see her and she say “Twinks” and the giggling began. And Snooki loved telling the story about my dad, being irritated with us giggling in the back seat, reached around to hit Jane or me but smacked Kathy in the face. We yelled ‘Dad, you hit Kathy’ and he turned and looked at us and got out of the car. We broke into laughter and every time we told the story we broke into laughter. Kathy ‘s sense of humor was unique and kind. The mention of Kathy’s name brings a smile to my face. What a talented person in so many ways, especially how she naturally made people feel special. My heart is full of love for you Snooki❤️ ”
