“ *My sister's (Kelly & Mindy) and myself are extremely sorry for your loss. We are praying for your families. Although she is in heaven, pain free, illness free and enjoying the here after, you guys feel hurt, pain, and emotions that are difficult to understand and hold back. Time does heal a tad bit but we just learn to adapt our everyday life without this person. Please know we are praying for you and thinking of you guys during this difficult time. Peace be with you.
