“ Dear Jim and Family,
It is so sad to hear this news. Kathy (as I knew her) and I were friends and classmates starting in second grade at Thomas Jefferson. I left the area long ago; but, I am especially grateful that I was able to spend some time with her when I was last in Alton. My thoughts and prayers are with you and your family.

“ I was saddened to read this, and my thoughts and condolences are with you. I attended CALC Institute of Technology with Katie in 2005-2006, and we became fast friends. She was quite the character! Although we hadn't spoken in the last few years, we did keep in touch after CALC, and I will remember her fondly. I was blessed to have known her.
