“ *Kayla love you and miss your silliness. Your babies should not have to grow up without you. I know you are with Tina and grandma. You are another beautiful angel.*

“ *I will always love you. One of my baby sister. You life was way to short and you were taken way to soon. I will always make sure the babies know how much you love them and everything you did for them. I promise you that. I remember how much you love to bug the crap out of me just because you could. Love you baby sis*
