“ *To the family of Dr Kazys Narscius. I would like to extend to you my condolences.*

Dr Narscius was a exceptional physician, I always knew he was the best the first time I met him. Dr helped me when no other could or would. I know that he is resting in the arms of Jesus and I find comfort in knowing that we will see him again. God Bless

“ *My condolences to Dr Narscius' family. Dr Narscius was very good to me and my children..very kind..there were some instances when he gave me prescriptions that I didnt have money for, and he sent me next door at Ricci's Drug Store and the prescriptions were filled...never did know if he paid for them or if Ricci's did. R.I.P. Dr Narscius.*
