“ We are so very sorry for your loss. I had the opportunity to get to know KC a bit on a few occasions at school and at Children's Theatre meetings. He was always ready to help. And, ready to laugh, that's what I will remember. The kind of laugh that makes other people laugh. Please know that we are thinking of you, and praying for you during this difficult time.

“ *My heart is heavy for KC's family. I went to high school with KC in Iowa and remember fun times going to Subway when we had an open hour during school. Although life sometimes distances us from friends and family, the loss of KC greatly saddens me and he will indeed be missed.*
