“ *Kim: I just found out the news of your passing since we lost touch with each other; I'm sorry. We had a lot of years of good times; ski trips, Key West, New Orleans, NYC, Lambertville/New Hope, and others. I will always remember your energy and smile. RIP. Your friend always.....Stephen Li*

“ Kim was vibrant and wanted to do ten things at once. She wanted to work, play golf and hang with friends all at the same time. In addition, when a friend was in need, she was always there to help.

Her energy was contagious and her smile even more so. I will remember her willingness to move to the East Coast to take on work challenges. She met every issue/obstacle head on and I will remember her strength and courage.

Kimmy will be missed by all of us!

“ I brought Kim over to the Wireless Sales team at AT&T Consumer Products in 1993. She was wise beyond her years, had more energy and personality than any 3 people on our team. She was a very quick learner in a new industry and new job for her. She always had a customer first attitude and never said never. She was also hard-headed and obstinate - which just made you love her more!!! She was a valued team member and a really great person that I was honored to call my friend.

For myself and all of the team from at AT&T CP, our hearts go out to you her family for this tragic loss. We are all heartbroken at this news - not Kim... She was the youngest team member and was supposed to dance on all of our graves.

We will all miss her greatly. We all know she is now in a better place but, nothing will heal the hole that is now in our hearts for Kim.

God Bless you all.
