“ *Brenda and family: I was so sorry to read about Lanny's passing. I met Lanny when I worked for Jim McPike and oh my, what a charming and funny man he was. I always looked forward to seeing him walk through the front door of our office on State Street because I knew I'd hear a funny story. He was so politically smart and I learned a great deal from him. I always knew when there was a fundraiser that I could count on Lanny to sell tickets and bring a crowd. He was larger than life, warm and caring and I know how much he loved you, Brenda, and how proud he was of his sons and their accomplishments. So very sad to think of a world without Lanny Darr.*
