“ *The whole time I had been married all I heard was how he had never seen the ocean, I thought one of these days. So about 2 years ago I told him let's get packed we're going on a road trip. I didn't tell him where we were going, all I said was drive. We ended up in South Carolina at Edisto Beach, Larry stood there looking at the ocean, I asked him what he thought, he turned and said IT'S SO BIG! I will never forget making that dream come true for him, Larry, it has been a pleasure and an honor to be your wife, I'll love for the rest of my life, and I can't wait for us to be together again. Rest in peace my love.*

“ You weren't just my brother in law, you were also my friend. Really going to miss our talks but I will hold them in my heart forever. You were the best pappy ever to Riley, your sweetie and Lone Ranger buddy. Will be missing you always. Love, Courtney.
