“ I remember Lauren in junior high and high school. She was a warm, caring and funny young woman who was kind to everyone. Even though we lost touch after high school, I can't imagine Lauren ever losing those endearing qualities. She will be missed by many.

“ Tom, I would like to say to you and your family how deeply sorry I am that you lost a wonderful lady in your life. Lauren after school was just a very kind person and when my mom moved into skyline Towers and Lauren came to work there, she was always so kind and caring to my mom.
