“ So sorry to hear of Vern's passing. My condolences to Judy, Brenda and the entire family. I spent many a shift working with Vern at the Alton Fire Department. He was such a fun man and a joy to be around at all times. Vern truly made the world a better place for all those who knew him. He was a good man and will be missed!

“ Dearest Judy, Brenda and family, Fred and I are so sad to hear of Vern's passing. What an amazing Husband, Father and Grandfather and blessing to all of us that were blessed to know him. We know he will leave a huge void in your lives but remember the good times and that he is at peace now. May God bless you all and keep you strong during this sorrowful time.
