“ *Randy was one of the kindest souls I knew... a great childhood friend...I spent some crazy times hanging out at his house.. ... I didn't see him much as an adult as we both went our own ways ..... however... the few times I did run into him it was like we didn't miss a minute... I never had the pleasure of meeting his wife ,, children or grandchildren but please know that I will be keeping them in my prayers as well as his other family members..... Rest In Peace my Friend Randy...You will be missed.*

“ randy was a sweet person, we are the same age. when we was kids, we all was under the street light hanging out, it started raining all us took off running, i ran up in grass no shoes on. uncle gene seen my feet bleeding, aunt linda took me 2 wash my feet, boys ran in rain 2 grandmas, got meds for my feet. we all was getting 2 go petting zoo next day, grandma said i couldnt go, randy said he would carry me on his shoulders, if i could go. she said i could go & yes randy did carry me on his shoulder. “ *A part of our family you've always been,  
To heaven you went where we'll meet again.  
You fought a battle with all your heart,  
A battle that tears so many apart.  
A disease that we all hate so much,  
One that Dr's can't even seem to touch.  
Fuck you cancer is all we can say,  
Until there is a cure, life is how we must pay.  
You will be sadly missed, even years ahead,  
We love and miss you is what everyone has said.  
Rest in peace Randy and protect your own,  
Send butterfly kisses to each so it is shown.*

*May God Bless the entire Randy Gray family! Hugs and Love....Gary & Debbie Cox*
