“ To Rita, Bob, Mike and Cheri we give you our deepest heartfelt sympathy on the passing of your Mother. Your Mother was such the loving person. She was the steady rock, the Matriarch, the life long friend throughout the years. Each of you is unique as a person because of your parents. We know that because we know each of you and we are proud to be part of the Bradley Family.

*Know that you are not the only ones grieving for someone special. We too feel the pain. There really are no words that can express your loss. Each of you has gone through too much in the past few months. Your hearts have been broken twice. We hope that for each of you the healing will begin soon.*

*We love each of you,*
