“ *Mary and Mark. My deepest sympathy to you all. I have never, to this day, met a man that could do anything like he could. I never have and never will stop thinking of you all. You cannot erase 20 years of memories and my memories of Leroy were all so good. He was such a wonderful man and a father to me that I never had for over 20 yrs. I will never forget everything that he did for me. I wish you all the very best.*
