Tribute Wall

“ Leslie was good friends with my high school sweetheart. She always spoke highly of Leslie as they would often be together at basketball games and other school functions. I didn't know Leslie that well, but I remember she was always smiling and happy as I look back to the early 1980's. Seems like only yesterday. My deepest sympathy to her family and friends.

“ My sissy was a very special person as everyone knows already. I will miss her dearly and one of these days I will see her and the rest of our family once again. I thank you all for the outpouring of love and kindness that has been given to her. Please remember Harry Evans in your prayers, he too is a very special and integral part of my sisters life and as us all could always use any prayers given. Thank you!
